ABOUT

Aspiring Frontend Developer and Software Engineering student with a strong foundation in HTML, CSS, JavaScript, and responsive web design. Skilled in modern frontend frameworks and libraries including React.js, jQuery, Bootstrap, and Tailwind CSS. Proficient in UI/UX tools like Figma, with hands-on experience in building clean, user-friendly web interfaces. Passionate about creating impactful digital experiences and eager to contribute to real-world projects in collaborative environments while continuously advancing technical and design skills.

WORK EXPERIENCE

CodeAlpha   2025 - PRESENT

Frontend Development Intern

- Developed responsive web interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Implemented dynamic features with jQuery and React components.
- Optimized UI performance and maintained cross-browser compatibility.
- Designed and submitted multiple projects within strict deadlines, following best frontend practices.

Internshala Trainings (Self-paced)   2024 - 2025

Frontend Development Intern

- Completed structured training on HTML, CSS, JavaScript, and version control (Git).
- Built multiple mini-projects including a to-do list, a weather app, and a portfolio website.
- Gained experience in debugging, browser dev tools, and basic deployment using GitHub Pages.

EDUCATION

Diploma in Software Engineering   2023 – 2026 (Ongoing)

Aptech Learning Institute – Karachi, Pakistan

- Equivalent to Intermediate (Pre-Engineering)
- 3-year advanced diploma focused on both theoretical and practical aspects of software engineering
